September Meeting

Come to the first meeting of the fall and find out how everyone spent their summer. Starting at 7pm at the Maritime Museum on September 19th, you can meet some new TCYC members, chat with the gang, and chomp down cheese and veggies before the speaker begins at 8pm.

TCYC Last Chance Race, September 14

This ONE DAY event is the last race that counts for the Fleet Championship. Despite the listing as a two day event in the Yearbook and website, racing begins on Saturday at 1100 with two or three short races to be held, depending on the weather. There is no racing on Sunday. For further information, contact Tom Bendle (Fleet Captain).

Latest News

Tons of interesting stuff happened over the summer and there are lots of TCYC race results, including the TCYC English Bay Scramble and the Summer Shorts. Sadly, the editor is desperately short of time and none of this news will be shared with you until October. The club is looking for a Winks editor for 2003, hopefully one with more free time than the current editor. To make the October Winks more interesting, please email/mail me your stories, results, and adventures from the summer. (editor@tiddlycove.bc.ca)
