

Tiddly Cove Yacht Club

Amendment to Notice of Race

Passage Island Race 2013.

In the absence of a committee this year we are proposing a Tiddly Cove type solution in a heavily modified Jack Rabbit start. There are three main points to consider in the amendment as spelled out specifically below. First is the start sequence will consist of your own GPS time and horns only, secondly you will need to provide an elapsed finish time in the possible absence of a finishing boat on station, and third, *do not* crash into Senza as they sacrifice their starting strategy in order to site the line.

Boats must check in by 10:45 on Channel 68, giving boat name and sail number.

STARTING PROCEDURE:

Amending 3.1, 3.2, 4.1.1, 4.6, 5.1, 5.4 of the NOR.

The start is a normal running start with the following major differences:

1. The start line will run between the kits barge bouy or the Westernmost point of a barge tied to the bouy should that be the case, and the float at Kitsilano Yacht Club. The committee boat (Senza) will be participating in the race and is neither a mark, nor a part of the start line.
2. No flags will be displayed. You are responsible for having an accurate (GPS) time. Time will constitute the official signals in lieu of flags, NOT HORNS. However, as normal, horns will be sounded as the start sequence counts down.
3. The start sequence will be conducted using horns only. NO FLAGS. All boats will start at once after the normal 5 – 4 – 1 – GO sequence of horns.

10:55. one horn.

10:56 one horn

10:59 one horn —— (the committee boat, SENZA, will turn to approach

the Barge Buoy from the north, and sight the line).

11:00 start. One horn, or 2 in case of an OCS.

*Should there be a delay in the start sequence, Senza will sound three horns signaling “come within hail”, and new start times will be announced.

4. Boats OCS will be notified on channel 68 and will be required to re-cross the start line.

COURSE:

Remains around Passage Island in either direction and return.

FINISH:

Amending 4.2, 4.3, 4.3.1, 5.1

The finish line is the same as the start line however you must be within two boat lengths of the barge bouy when you record your time through the finish.

Take your own finish time when you cross the line, make careful record of it and report that time to the committee/Senza.

Time limit 16:30.
